

Comments: REPORT FOR CSE31C

Dear Margaret

Please find my report for this grant. Also note that I am working on the final report for my endosulfan grant (I can't remember the number) that finished last financial year.

Regards

Report on CSE31C - Attendance at 6th Cotton Conference, Broadbeach, QLD

Joanne Daly

Dr Daly attended the 6th Cotton Conference, Broadbeach, Queensland, 12-14 August, 1992. She authored two papers for inclusion in the Proceedings:

Daly, J. Endosulfan resistance in *Helicoverpa armigera*, pp 353-358.

Trowell, S., N. Forrester, J. Daly, K. Garsia, L. Bird & G. Lang. Development trials of the *Heliothis* ID Kit.

This meeting gave Dr Daly the opportunity to meet with growers and with colleagues to discuss her studies on resistance and its management.
